Below are the requirements for using UAVs in the field. I am sending you a copy via bumail as well. You may already have all this info but I am sending it so I can say that I have advised you of all the issues. I assume that HQ will send out operators when they deploy the UAV because specific training is required.

Also CIRG/ASB, is supposed to coordinate all division requests with OTD/TRU and the FAA.

Happy reading.
